

Vital YGB Show Supply List

1. Clippers
2. Blower
3. Stand
4. Soap, water hose, and basic fitting supplies
5. Comfortable, Appropriate, Cool Clothing, and Comfortable/Tennis Shoes – do not make your child wear show clothes.

If you do not have something on this list, PLEASE do not panic. We will partner your kid's with people that do.

If you DO have these supplies, PLEASE bring them – it is VITAL to camp success.

CAMPERS DO NOT NEED TO DRESS IN SHOW CLOTHES. WE WANT CAMPERS TO BE COMFORTABLE TO PUT IN SOME HARD WORK DURING CAMP – WE RECOMMEND ATHLETIC WEAR AND TENNIS SHOES FOR UTMOST COMFORT!

Since so many jackpots are happening, we have been struggling to have enough unclipped/unshorn animals for the demonstrations and the fitting contest. If your child wants to compete in our AWESOME FITTING CONTEST, please try and bring an animal for them to do a full body shear/clip and the necessary supplies.

***Fitting and show supplies are not needed until the SECOND DAY OF CAMP!! Please keep all of your supplies stowed away in your trailers/vehicles until the second day.**
